DISCOVER INNOVATION

This is not a cruise. This is a journey far beyond the borders of ordinary. A ship that takes you to the sea, sky and plenty of action-packed shores along the way. It’s where the nostalgia of childhood meets the technology of tomorrow. And entertainment spaces literally transcend the stage. It’s the thrill of skydiving without even leaving the ship. And rush hour you’ll actually enjoy on bumper cars at sea.

Order a cocktail mixed by robots at the Bionic Bar® then take in views 300 feet above sea level on the North Star®. And savor a culinary adventure that takes you from Italy to Wonderland.

This is *Quantum of the Seas*®, a ship that will take your event to soaring new heights.
